

FUTUREFIT PROGRAMS

Navigating the constantly changing job market can be a challenge. Are you up to date with recruitment trends? Do you have all the resources you need for your job search?

These days, successful transition to a new role requires a highly personal and tailored approach to secure the right job. We see this as becoming 'future fit.'

Davidson FutureFit programs provide a range of tools and support options to help position you for career success:

- **Online learning with our Careers Centre**
An easy-to-use, centralised online platform with resources to help update your job search material
- **Workshops**
Training and guidance through coach-facilitated online video workshops.
- **Coaching**
One-on-one personalised coaching to hone your job search strategy

Our FutureFit programs help you enhance your job search activities and build your ideal future.

Essential Program

\$79 for one month

Get started on your transition with the essential tools and resources to launch a successful job search. With one month's access to our Careers Centre, you receive:

- **Step-by-step learning guides:** resume development, LinkedIn profile development, networking and interview skills
- **Access to job search tools:**
 - Personality and career preferences assessments
 - Job leads sourcing tool: set your parameters and access all opportunities matching your criteria
 - Opportunity tracker: track the progress of your job opportunities from company research through to interviews and outcomes
 - Company search tool: gain immediate access to key company contacts and financial information, including your LinkedIn connections who work there and relevant industry trends and challenges
 - Resume builder and tips for writing winning resumes

Perform Program

\$195 for one month

Gain a wider understanding of your preferences, your values and the key stakeholders you come across during your job search. In addition to the Essential Program, you receive:

- **Additional learning guides:** the job application process and working with recruiters
- **Additional assessments:** focused on your values, working style, career fit and more
- **Communication templates:** start your networking, thank you and cover letters

Reinventing careers through online learning, training and support

- Maximise your online presence and resume to attract employers and recruiters
- Get the knowledge and tools to network your way to additional opportunities
- Perform at your best in interviews

davidsonwp.com/futurefit

- **Unlimited access to coach-facilitated video technical workshops:**
 - Developing a winning resume
 - Developing your LinkedIn profile
 - Networking for success
 - Job applications and working with recruiters
 - Developing your interview skills

Coaching sessions are held in our Brisbane office. For those outside of this area, coaching is facilitated over Skype.

Excel Program

\$495 for one month

Access the most effective combination of support for your job search.

In addition to the Perform Program, you receive:

- **Unlimited access to advanced workshops:**
 - Understanding the future of work
 - Reinventing you
 - Meaning, purpose and values
 - Confidence and charisma
- **Personalised coaching session:** One 90-minute job search strategy session with a career coach to address your unique circumstances and to develop a job search plan for success.

Executive Program

\$950 for three months

This top-tier program is designed for senior managers and executives, providing you with the most effective combination of support services to launch your job search or explore future options. In addition to the Excel Program, you receive:

- **Three months' access to all workshops and online resources**
- **Personalised coaching sessions:** Three 60-minute job search strategy sessions with a career coach across the three-month period.

All prices exclude GST and are current at February 2016
